

Requesting actuarial certificates

16 August 2015

Save time ordering actuarial certificates

Accurium provide actuarial certificates direct through our easy to use online system and also through software platforms; BGL, Class Super and superMate. Through these providers we make the process of applying for actuarial certificates quick and easy for our clients with automated data extraction.

BGL Users

BGL users can order actuarial certificates direct through the Simple Fund or 360.

Simple Fund

The Actuarial Certificate Wizard can be accessed from the Simple Fund main screen by clicking on the 'Get your Actuarial Certificate here' icon and then click on the 'certificate list' tab and selecting the Accurium button.

This process has been designed to make obtaining an actuarial certificate fast and simple saving clients a considerable amount of time and effort.

Simple Fund 360

From the main toolbar select **Members/Fund Pension Policies/New Actuarial certificate**, confirm all detail are correct and select **'Accurium'** then select **'submit to Actuary.'**

Class Users

Accurium offers all Class users the benefit of pre-populating data directly from the Class platform into the Accurium Data Entry form. The administrator will need to initially select **'Accurium'** as their default actuarial certificate provider. They can do so through **Business/Settings/Actuarial Certificate Provider** and selecting **Accurium**. The process then becomes fully automated and allows SMSFs to avoid the manual input that is sometimes associated with ordering actuarial certificates. This saves client's valuable time.

superMate Users

superMate users will need to contact the Sales Team to set up the functionality to order actuarial certificates through the superMate software. You can contact the Sales Team on 1300 650 135 or email info@supermate.com.au.

Once signed up to this service actuarial certificates are fully automated within superMate. This process will save you time by reducing the amount of data entry, superMate does it all for you – automatically.
